

Places to be in Haute-Nendaz

All following places are possible to be reached by foot from and to the chalet;

Les Etagnes

Please do send our regards to my friend Ono & Annemieke from Stefan & Bénédicte, a fantastic Dutch couple who run this Hotel, restaurant and cozy après ski bar under big umbrella.

Very nice food in the **French Food** restaurant and affordable wines, extremely quick and friendly service in the outside **Après Ski Bar**. Music perfect to get in the mood with possibility to have conversations.

Age target 30+

At the end of the slope to return to Nendaz after a day skiing.

Nice to know; a navette bus goes every 20 minutes from down there up the hill. 5 minutes by bus to stop at Chemin des Mayens if you ask gently to the driver or the stop is 50 metres higher.

Very close to start of Tracouet on the other end of the road, run by our Belgian friend Philippe.

Tchin Tchin Bar & Restaurant

Please give our regards to Hélène (Lady of the house) and her husband and Italian chef Antonio.

First take your aperitive at the bar and open fire to enjoy perfect cocktails.

Move afterwards to the restaurant to enjoy nice Italian cuisine, **best pizza's** in town.

Also take away is possible!
